

The logo for LIVING features a stylized house icon on the left, composed of a light blue base and a darker blue roof. To the right of the icon, the word "LIVING" is written in a bold, blue, sans-serif font. The letters are spaced out, with the "I" and "V" being notably narrow and slanted. The "N" is also slanted, and the "G" has a thick horizontal bar at its top right. The entire logo is set against a white background.
