

A virtual rendering of a modern, minimalist living and dining area. The room features a light-colored floor and ceiling with recessed beams. In the foreground, a grey sofa with several cushions is positioned on the right. A dark, round coffee table with a vase of greenery and some books sits in front of it. To the left, a dark leather armchair is visible. In the background, a dining table with four light-colored chairs is set up. A large potted plant stands near the dining area. On the left wall, a long, low white TV stand holds a television, a potted plant, and a framed picture. Above the TV stand, a long white shelf holds various decorative items like books, vases, and a framed picture. The overall aesthetic is clean and contemporary.
